ImageCare Technology is a lamp power control function that combines optimal picture performance with maximum energy savings by decreasing energy usage, improving contrast ratio and lengthening lamp life. The result is a lower total cost of ownership and decreased maintenance cost.

### PJMessenger

PJMessenger function allows you to send and display text messages and audio alerts on your networked projectors. It is an easy and efficient way to send announcements out to multiple units.

### Projector Quick Connection App For Mobile Devices

Our mobile app offers full projector control and also provides the capability to display photos, document files and web site contents. Available for iPad®, iPhone® and Android™ devices. Works over your LAN via your RJ-45 port or via an optional USB-WL11N wireless adapter.

### Present Content via LAN

Hitachi's suite of networking software allows you to easily send content directly from your PC to the projector via your LAN connection.
